Dear Mr. Howard:

Bruce Used Fuel Dry Storage Project:
Ontario Hydro Response to Public Comments on the Project Environmental Assessment

Reference: 1. Letter from K.E. Nash, Ontario Hydro, to D. Howard, AECCB, Subject: Bruce Used Fuel Dry Storage Project: Request for CEAA Approval Recommendation, January 25, 1999.

In a letter to you dated January 25, 1999 (Reference 1), we undertook to provide an information document by February 28, 1999, including responses to public comments as summarized by CEAA. We proposed that this document be issued to public groups and individuals who commented, as well as to the AECCB, CEAA and other government departments involved in the review process. A copy of this document is enclosed for the AECCB's information on the explicit understanding that Ontario Hydro will issue the document only after the CEAA process has been completed. To enable us to carry out this distribution, we would appreciate your assistance in compiling a distribution list based on the Public Registry.

If further information is required, please contact Mr. Paul Dinner, Manager of System Design & Safety Assessment, Nuclear Waste Management Division, at (416) 592-4935.

Yours truly,

K.E. Nash
